Everyone, please update your Email as this is the most effective and cheapest method of communicating with membership. Note that it is the members responsibility to ensure they keep the Club Secretary informed of their correct mailing and email addresses so that important Club information is forwarded to you.

P.S. Membership Drive: If each member could get one new member to join we could double our membership. Please give it a try. Just fill in the same info as above and include it and their check in your envelope. Thanks.
